

# ALBA DESIGNS

**Creating The Future**

This Document is a representation of the hard work that has gone into our craft, it is our portfolio, showcasing both actual clients work, as well as reimagining of existing brands & companies.

These creative assests are intended for demonstrative purposes. They are the intellectual property of Alba Designs & the corresponding clientele.

## **OUR MISSION**

Every business has a mission, and ours is different than the rest.

# **Our Mission**

***Logos are an integral part of any brand***

***A good logo & colour palette can help elevate any business***

Alba Designs is dedicated to crafting visually stunning and innovative graphic and web designs that elevate brands and captivate audiences. We blend creativity with functionality to deliver seamless digital experiences, ensuring every project reflects our commitment to excellence, originality, and client success.

Bold & Grounded font helps to make any business stand out, whilst using colours that are easy on the eye.
